# Acceleration Programme

## BENEFITS

# Acceleration Programme

## SCOPE

### Climate Change & Circularity

- Carbon Neutrality
- Circular Economy
- Sustainable Mobility

### Governance and Impact

- Regenerative Business Models w/ lasting impact
- Cross Sector and Local Communities' Platforms
- Profitability and Tech Access

### Talent and Inclusion

- Upskilling and Future Capabilities
- Accessibility
- Inclusion and Diverse Participation

### Event Experience

- Digital Integration
- Immersive Technology and Interactions
- Personalization and Community Building

# Call for Projects

**At least 80** innovative projects

**€20.000** to **30.000** in financial support for each to cover costs of service providers and:

Minimum 20-hour mentorship from **BEFuture's Pool of Mentors**

Travel and Participation **IBTM 2025**

## Types of Innovation:

### **RADICAL**

Groundbreaking innovations that create or transform markets

### **DISRUPTIVE**

Significant advancements improving performance and competitiveness

### **SUBSTANTIAL**

Major improvements boosting efficiency & productivity of existing solutions

### **INCREMENTAL**

Minor refinements enhancing functionality or user experience

# Call for Projects

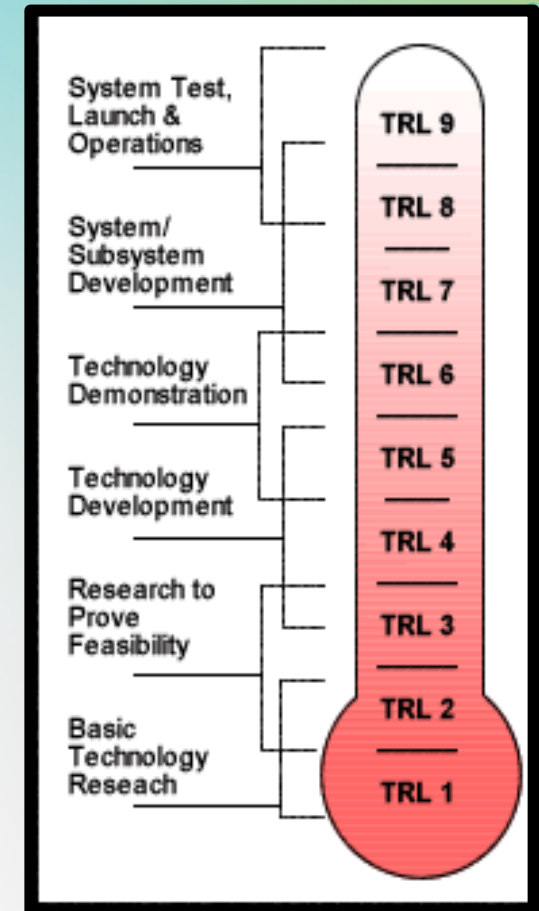

Innovative Projects must be at **Technology Readiness Levels (TRL) 4, 5, 6, or 7** indicating that they are in the **concept validation** or **development** phases, suitable for rapid completion within the Programme's timeframe.

Tip:

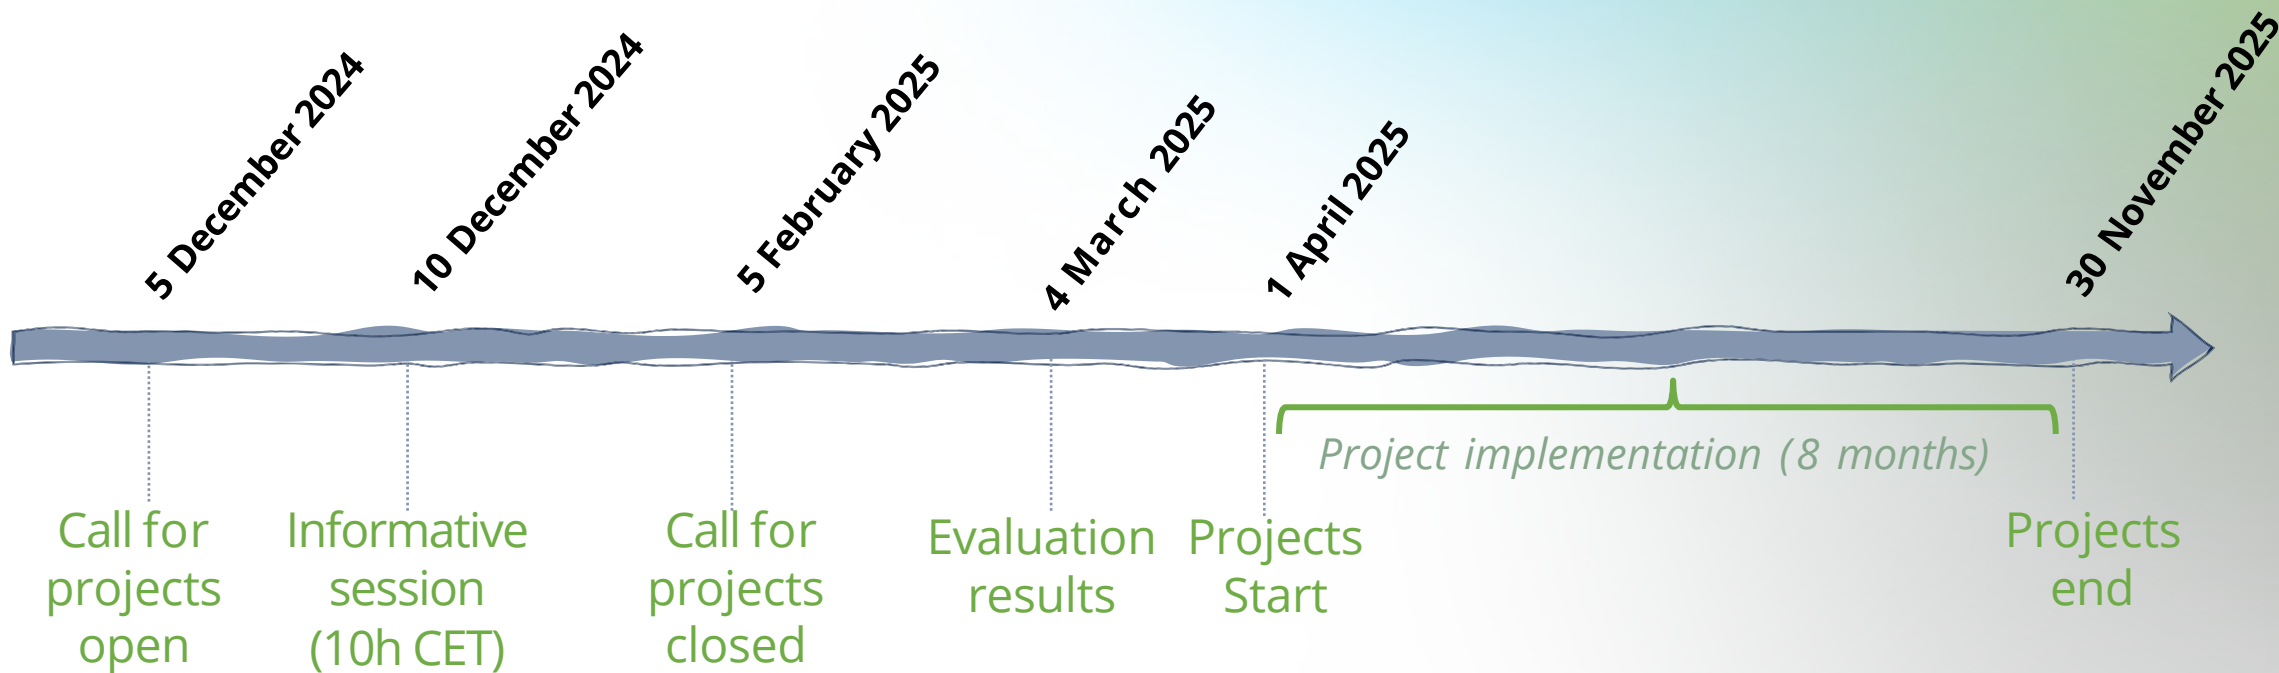

TRLs definition and assessment tool:

<https://horizoneuropencportal.eu/sites/default/files/2022-12/trl-assessment-tool-guide-final.pdf>

# Call for Projects - Timeline

# Can you apply for funding?

## Who?

Applications can be submitted by:

- a single **SME**
- a **consortium** of up to four entities, comprising public and/or private organisations, with **at least one SME**

Tip:

*Not sure your company is an SME? Check the SME definition according to the [EU recommendation 2003/361](#).*

**Read the [Call guidelines](#) (3.1 Eligibility criteria) for the full eligibility criteria.**

## Where?

All entities must be based in Belgium (Flanders), France, Germany, Italy, the Netherlands or Spain (Catalonia).

Both the lead applicant and their partners must be located in the same country.

# What to do before submitting the project?

**Preparing you application properly will help you save time later!**

## 1. Read carefully the documentation provided:

- Under '[Get funding](#)' on the webpage
- Call guidelines (read them in full!)

## 2. Attend information sessions:

- Online *Informative session* on 10 December 2024 at 10h CET
- Local Information Days

If you have any doubts, refer to the [FAQ section](#) or get in touch and stay updated:

**E-mail:** [call-inquiries@be-future.eu](mailto:call-inquiries@be-future.eu)

**LinkedIn:** [BEFuture](#)

**Newletter:** [Stay up to date - BEFuture](#)

# What to do before submitting the project?

3. Download the **templates** of key documents, they are to be submitted as part of your application:

- Courtesy Application form
- Pitch deck of the proposed project
- Budget breakdown

[Download them all here!](#)

Tip:

*Fill in these documents ahead of your submission.*

*On the portal, **you will not be able to save and retrieve the information you have entered.** Make sure you submit everything in one go.*

# How to apply?

Applications are submitted online through our [submission page](#). In the case of a consortium, they must be submitted by the lead applicant on behalf of all project partners.

**The Call opens on 5 December 2024 and closes on 5 February 2025 at 17:00 CET**

Tip:

*Start filling out your application in advance to avoid last-minute issues. No applications will be accepted after the deadline has passed!*

## KEY STEPS

### Step 1: Registration

- First, you need to [register to the BEFuture](#) platform to get access to the submission portal. You can do this at any time, even before the call opens.
- Then, you will need to register your application and provide general administrative information about the consortium partners to demonstrate that you are eligible (Eligibility Check).

# How to apply?

## Step 2: Project description

You will be asked to submit the following in **English** or **your local language**:

- a project description including
  - ✓ the application form
  - ✓ a pitch deck of the proposed project (do not hesitate to include images or infographics reinforcing your ideas)
- a budget breakdown

### Tips:

*As you will not be able to retrieve or save your application in the submission platform, fill in the Word version of the courtesy application form and copy-paste its contents.*

*Be concise and provide what is requested in the application form.*

*Refer to Guidelines Annex IV to see the Award Criteria, which will help you complete a successful proposal.*

# Budget Breakdown

Read the **Instructions** carefully

1. Fill the **Project information** for the Lead applicant and project partners (if applicable)
2. Fill the **Budget** compulsory cells for **Travel** and **Services** costs (yellow cells)
  - Make sure that all costs are attributed to *Beneficiary* and a *Type of Activity*
  - At least, 1 SME per projects needs to attend the IBTM 2025 in Barcelona
3. Take into account the following budget rules:
  - *Project budget must be over €20.000, grant amount ranging from €20.000 to 30.000*
  - **At least 70% of the grant amount must be allocated to the SME(s)**
  - *Training costs cannot exceed 15% of the budget, and communication costs cannot exceed 10%.*
4. If existing, fill the "Other resources" sheet for Travel and Services (white cells).
5. Make sure that all elements of the **Budget checklist** are **Correct** and submit your budget

# 1. Project information

Main beneficiary  Co-funded by the European Union

	Type of organisation	If Other, specify
Lead applicant:		
Name of the proposal:		
Country:		
Type of innovative project:		

	Total Budget	Grant Amount	Own resources
€	1.000,00	0	Automatically filled

Partnerships:

	Type of organisation	If Other, specify
Partner 2		
Partner 3		
Partner 4		

## 2. Budget

Check 1: Compulsory cells are filled	Compulsory cells not filled	Compulsory cells (in yellow)
Check 2: At least 20 hours of mentorship	At least 20 hours of mentorship -F22-	F22 needs to be equal to or higher than 20 hours
Check 3: Type of costs	Correct	Training costs cannot exceed 15 % of the budget, and communication costs cannot exceed 10 %. Refer to F23 & F24
Check 4: SMEs receive at least 70 % of the grant	Correct	For partnerships, SMEs must receive at least 70 % of the grant amount. Refer to Q10
Check 5: The grant amount is above 20.000 EUR	The budget amount must be above 20.000EUR	The budget amount -refer to H35- must be higher than EUR 20 000 . If it is higher than EUR 20 000, the Own resources contribution is indicated
Check 6: All costs are associated to a Type of cost and a Partner	Associate each cost to a Partner and a Type of Cost	The total budget amount -H35- must be equal to Q9 (Partners) and Q25 (Type of costs). Make sure that the Beneficiary and Type of activity are filled in the main table.

# How to apply?

## Step 3: Submission

Before hitting “Submit”, double-check that your proposal is

- **Complete** (all forms completed and supporting documents uploaded)
- **On time** (submitted by 5 February 2025 at 17:00 CET)
- **Compliant** (submitted through our online submission page)

**These 3 points form the admission criteria and will be checked before your project is evaluated!**

# What is evaluated?

## What should you pay attention to when pitching your project?

These are the six award criteria your project will be rated on.

*More details on these criteria can be accessed in the guidelines.*

### Relevance – 10%

→ Highlight that your project aligns with the [Tourism Transition Pathway](#) and the overarching [goals of BEFuture](#) (sustainability, digitalization, and the positive impact on the business tourism, meetings, and professional events sector)

### Innovation potential - 35%

→ What makes your project stand out as radical, disruptive, substantial or incremental innovation?

### Feasibility – 25%

→ Show that what you propose is feasible in terms of technology, viability and market, and how you will manage risks related to these aspects.

### Exploitation – 15%

→ Highlight how results will make a tangible difference in the business events sector and how they could be brought to the market and replicated elsewhere

### Participants' capacity & team competence -10%

→ Demonstrate the necessary skills and resources among your team to implement your project effectively

### Cost – Effectiveness -5%

→ Demonstrate a cost-effective use of resources in relation to the project's objectives and deliverables

# Additional Resources

Here are some additional resources that could provide inspiration and food for thought:

- Our [Compilation of Best practice on the Business Events Industry](#).
- The [Directory of innovative projects](#)

Several information sessions will be organised:

- 10 December 2024, 10:00 CET (online) - Sign up [here](#)
- December 2024/January 2025 (dates TBC): local webinars in partnering countries – Check for dates [here](#)

To participate in one of the sessions, contact us at [call-inquiries@befuture.eu](mailto:call-inquiries@befuture.eu).

[Check our web page](#) for up-to-date information on additional local information sessions.

# Questions? Need more help?

## For general questions:

Please contact: [call-inquiries@be-future.eu](mailto:call-inquiries@be-future.eu)

On our [BeFuture webpage](#), you can find detailed information on local information sessions and contact points to receive help with your application.
